

On-Demand Tutoring

If your employees are taking classes or have family members in school, you've probably heard about homework struggles and test anxiety, particularly with the increase in virtual learning. The subject matter can be difficult, and frustrations can run high for your employees who are trying to help their students learn.

On-Demand Tutoring provides 24/7 online access to professional tutors and educational tools for grades K-12 and college; test prep for SAT, ACT, and standardized tests; self-study tools and more. With the cost of a private tutor ranging from \$20 to \$200 per hour, this valuable service promotes academic success while reducing stress for employees and their families.

Tutors you can trust

On-Demand Tutoring provides access to thousands of tutors covering 150+ subjects in English or Spanish.

All tutors have at least an undergraduate degree or must be enrolled in an accredited higher education institution. Plus, all tutors must meet employment standards, pass subject matter tests, demonstrate instructional technique—and pass background checks (which include criminal background).

Support you can count on

- ✓ Immediate access to online tutoring 24/7—no appointments necessary
- ✓ Essays, reports, creative writing, resumes and cover letters reviewed within 12 hours.
- ✓ Videos, lessons, study guides, practice tests, worksheets.
- ✓ All tutoring sessions are recorded and transcribed for the students. The transcriptions and recordings can be accessed at any time by the student in the "My Sessions" section of the On-Demand Tutoring site.

On-Demand Tutoring can help your employees save time and money and reduce their stress levels. Benefits like this that improve employees' work-life balance can increase employee productivity, morale and loyalty. Who wouldn't be grateful to get help with their homework?
